PROXY STATEMENT
OF
DIGITAL POWER CORPORATION

Fremont, CA 94538
(510) 657-2635

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the shareholders of Digital Power Corporation ("Digital" or the "Company") in connection with the solicitation of proxies on behalf of Digital's Board of Directors for use at Digital's Annual Meeting of the Shareholders (the "Meeting") to be held on Wednesday, May 21, 1997, at 10:00 a.m. (PDT), at the Newark-Fremont Hilton Hotel located at 39900 Balentine Drive, Newark, California, 94560, and at any and all adjournments thereof. Only shareholders of record on April 1, 1997, will be entitled to notice of and to vote at the Meeting.

The proxy solicited hereby, if properly signed and returned to Digital and not revoked prior to its use, will be voted at the Meeting in accordance with the instructions contained therein. If no contrary instructions are given, each proxy received will be voted "FOR" each of the five nominees for the Board of Directors, "FOR" the approval of Proposal No. 2, and, at the proxy holders' discretion, on such other matters, if any, which may come before the Meeting (including any proposal to adjourn the Meeting). Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by: (i) filing with Digital written notice of its revocation addressed to Philip G. Swany, Corporate Secretary, Digital Power Corporation, 41920 Christy Street, Fremont, California, 94538; (ii) submitting a duly executed proxy bearing a later date; or (iii) appearing at the Meeting and giving the Corporate Secretary notice of his or her intention to vote in person.

This solicitation of proxies is being made by Digital's Board of Directors. Digital will bear the entire cost of preparing, assembling, printing, and mailing proxy materials furnished by the Board of Directors to shareholders. In addition to the solicitation of proxies by use of the mail, some of the officers, directors, employees, and agents of Digital may, without additional compensation, solicit proxies by telephone or personal interview, the cost of which Digital will also bear. Digital will reimburse banks, brokerage houses, and other custodians, nominees, and fiduciaries for their reasonable expenses in forwarding these proxy materials to shareholders whose stock in Digital is held of record by such entities. In addition, Digital may use the services of individuals or companies it does not regularly employ in connection with this solicitation of proxies if management determines it to be advisable.

A copy of Digital's Annual Report on Form 10-KSB for the year ended December 31, 1996, accompanies this proxy statement.

This Proxy Statement and form of proxy were first mailed to shareholders on or about April 11, 1997.

RECORD DATE AND VOTING RIGHTS

Digital is authorized to issue up to 5,000,000 shares of common stock, no par value. As of April 1, 1997, 2,520,775 shares of common stock were issued and outstanding. No shares of preferred stock are outstanding. Each share of common stock shall be entitled to one vote on all matters submitted for shareholder approval. The record date for determination of shareholders entitled to notice of and to vote at the Meeting is April 1, 1997.

The five nominees receiving the highest number of votes shall be elected as directors. The affirmative vote of a majority of the common stock represented and voting at the Meeting is necessary to approve Proposal No. 2.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. Regarding the election of directors, shareholders may vote in favor of all nominees, or withhold their votes as to all nominees, or withhold their votes as to specific nominees, by following the instructions on the enclosed proxy card. With respect to the appointment of Hein + Associates to serve as the Company's independent auditor for the 1997 fiscal year, shareholders may vote in favor of or against the proposal, or may abstain from voting, by specifying their choice as indicated on the enclosed proxy card. If no specific instructions are given with respect to any matter to be voted on, the shares represented by a signed proxy will be voted FOR the election of the Board's nominees, and FOR the appointment of Hein + Associates as independent auditor. Directors will be elected from nominees receiving the highest number of affirmative votes cast by the holders of Digital's common stock, voting in person or by proxy at the Annual Meeting; ratification of the retention of Hein + Associates as independent auditor will require the affirmative vote of the holders of a majority of the shares of common stock of Digital voting on such retention in person or by proxy at the Annual Meeting. Thus abstentions, because they will be counted in determining whether a quorum is present for the vote on both matters, will have no effect on the election of directors, but will have the effect of a no vote for the ratification of the retention of Hein + Associates as independent auditors. Similarly, broker non-votes are also counted towards a quorum but are not counted for any purpose in determining whether a matter has been approved, and will have the same effect as an abstention.

On any matter submitted to the vote of the shareholders other than the election of directors, each holder of common stock will be entitled to one vote, in person or by proxy, for each share of common stock held of record on Digital's books as of the Record Date. In connection with the election of directors, shares may be voted cumulatively, but only for persons whose names have been placed in nomination prior to the voting for election of directors and only if the shareholder holding such shares has given notice at the Annual Meeting, prior to such voting, of his or her intention to vote cumulatively. (Notice of intention to vote cumulatively may not be given by simply marking and returning a proxy.) If any Company shareholder gives such notice, then all shareholders eligible to vote will be entitled to cumulate their votes in voting for election of directors. Cumulative voting allows a shareholder to cast a number of votes equal to the number of shares held in his or her name as of the Record Date, multiplied by the number of directors to be elected. All of these votes may be cast for any one nominee, or they may be distributed among as many nominees as the shareholder sees fit. The nominees receiving the highest number of affirmative votes, up to the number of directors to be elected, shall be elected.

If one of Digital's shareholders gives notice of intention to vote cumulatively, the persons holding the proxies solicited by the Board of Directors will exercise their cumulative voting rights, at their discretion, to vote the shares they hold in such a way as to ensure the election of as many of the Board's nominees as they deem possible. This discretion and authority of the proxy holders may be withheld by checking the box on the proxy card marked "withhold from all nominees". Such an instruction, however, will also deny the proxyholders the authority to vote for any or all of the nominees of the Board of Directors, even if cumulative voting is not called for at the Annual Meeting, although it will not prevent the proxyholders from voting, at their discretion, for any other person whose name may be properly placed in nomination at the Annual Meeting.

A shareholder may choose to withhold from the proxyholders the authority to vote for any of the individual candidates for the Board of Directors by marking the appropriate box on the proxy card and striking out the names of the disfavored candidates as they appear on the proxy card. In that event, the

proxyholders will not cast any of the shareholder's votes for candidates whose names have been crossed out, whether or not cumulative voting is called for at the Annual Meeting, but they will retain the authority to vote for the candidates nominated by the Board of Directors whose names have not been struck out, and for any other candidates who may be properly nominated at the Annual Meeting. If a shareholder wishes to specify the manner in which his or her votes are allocated in the event of cumulative voting, he or she must appear and vote in person at the Annual Meeting. Ballots will be available at the Annual Meeting for persons desiring to vote in person.

PROPOSAL NO. 1

The names and ages of the Executive Officers and Directors of the Company as of April 1, 1997, along with certain information about such persons, are set forth below. The Company's Bylaws provide for a Board of Directors of not less than five (5) nor more than nine (9) members, with the actual number to be set by resolution of the Board. Each of the Company's Directors is elected at the annual meeting of shareholders of the Company and serves until the next annual meeting when such person's successor is elected and qualified, or until such person's earlier death, resignation, or removal.

Executive Officers are appointed by, and serve at the discretion of, the Board of Directors. Except as discussed below with respect to Robert O. The Company has registered the Common Stock underlying such warrants. No family relationship exists between any of the Officers or Directors.

The following table sets forth the persons nominated by the Board of Directors for election as Directors and certain information with respect to those persons.

None of the directors were selected pursuant to any arrangement or understanding other than with the directors and officers of Digital acting within their capacities as such. There are no family relationships between any of the directors and executive officers of Digital.

VOTE REQUIRED FOR THE ELECTION OF DIRECTORS

Directors will be elected from the nominees receiving the highest number of affirmative votes of the shares of Common Stock present and voting at the Annual Meeting. Each share of Common Stock which is represented, in person or by proxy, at the Annual Meeting will be accorded one vote on each nominee for director, unless one or more shareholders express an intention to exercise the right of cumulative voting, in which case all shares will be accorded the cumulative voting rights described under the caption "Record Date and Voting Rights", above.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires Digital's Directors, Executive Officers, and persons who own more than 10% of Digital's outstanding common stock to file reports of ownership and changes in ownership with the SEC. Directors, Executive Officers, and shareholders of more than 10% of Digital's common stock are required by SEC regulations to furnish Digital with copies of the Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to Digital, or written representations that such filings were not required, Digital believes that, during the calendar year 1996, all Section 16(a) filing requirements applicable to its Directors and Officers were complied with.

STOCK PLANS

EMPLOYEE STOCK PURCHASE PLAN. The Company has adopted an Employee Stock Ownership Plan ("ESOP") in conformity with ERISA requirements. As of December 31, 1996, the ESOP owns, in the aggregate, 173,333 shares of the Company's Common Stock. In June 1996, the ESOP entered into a \$500,000 loan with San Jose National bank to finance the purchase of shares. The Company has guaranteed the repayment of the loan, and it is intended that Company contributions to the ESOP will be used to pay off the loan. All employees of the Company participate in the ESOP on the basis of level of compensation and length of service. Participation in the ESOP is subject to vesting over a six-year period. The shares of the Company's Common Stock owned by the ESOP are voted by the ESOP trustees. Mr. Smith, President and Chief Executive Officer of the Company, is one of two trustees of the ESOP.

1996 STOCK OPTION PLAN. The Company has established a 1996 Stock Option Plan (the "1996 Plan"). The purpose of the 1996 Plan is to encourage stock ownership by employees, officers, and directors of the Company to give them a greater personal interest in the success of the business and to provide an added incentive to continue to advance in their employment by or service to the Company. A total of 513,000 options are authorized to be issued under the Plan, of which 303,500 options have already been issued. Of these stock options, 275,500 vest after two years and 28,000 vest over a four year period. The 1996 Plan provides for the grant of either incentive or non-statutory stock options. The exercise price of any incentive stock option granted under the 1996 Plan may not be less than 100% of the fair market value of the Common Stock of the Company on the date of grant. The fair market value for which an optionee may be granted incentive stock options in any calendar year may not exceed \$100,000. Shares subject to options under the 1996 Plan may be purchased for cash. Unless otherwise provided by the Board, an option granted under the 1996 Plan is exercisable for ten years. The 1996 Plan is administered by the Compensation Committee which has discretion to determine optionees, the number of shares to be covered by each option, the exercise schedule, and other terms of the options. The 1996 Plan may be amended,

suspended, or terminated by the Board, but no such action may impair rights under a previously granted option. Each incentive stock option is exercisable, during the lifetime of the optionee, only so long as the optionee remains employed by the Company. No option is transferrable by the optionee other than by will or the laws of descent and distribution.

OTHER STOCK OPTIONS

The Company, as of December 31, 1996, has outstanding options to acquire 235,500 shares of common stock at \$1.80 per share. These options were granted to employees in May 1993 and vest over a four-year period.

401(K) PLAN

The Company has adopted a tax-qualified employee savings and retirement plan (the "401(k) Plan"), which generally covers all of the Company's full-time employees. Pursuant to the 401(k) Plan, employees may make voluntary contributions to the 401(k) Plan up to a maximum of six percent of eligible compensation. These deferred amounts are contributed to the 401(k) Plan. The 401(k) Plan permits, but does not require, additional matching and Company contributions on behalf of Plan participants. The Company matches contributions at the rate of \$.25 for each \$1.00 contributed. The Company can also make discretionary contributions. The 401(k) Plan is intended to qualify under Sections 401(k) and 401(a) of the Internal Revenue Code of 1986, as amended. Contributions to such a qualified plan are deductible to the Company when made and neither the contributions nor the income earned on those contributions is taxable to Plan participants until withdrawn. All 401(k) Plan contributions are credited to separate accounts maintained in trust.

The following table sets forth the options granted to Mr. Smith during the past fiscal year.

PROPOSAL NO. 2
RETENTION OF HEIN + ASSOCIATES, LLP
AS INDEPENDENT AUDITOR

On June 24, 1996, Digital engaged Hein + Associates, LLP as its independent auditor. The engagement of Hein + Associates, LLP was recommended and approved by Digital's Audit Committee. The Board of Directors considers it desirable that its engagement of the firm Hein + Associates, LLP as independent auditor for the Company and its subsidiaries for the year 1997 be ratified by the shareholders. If not otherwise specified, proxies will be voted in favor of ratification of the appointment.

If the shareholders do not approve the engagement of Hein + Associates, LLP as its independent auditor, the Board will consider another candidate.

A representative of Hein + Associates, LLP may be at the Meeting to make a statement and to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE TO RATIFY THE RETENTION OF HEIN + ASSOCIATES, LLP AS AUDITOR FOR THE COMPANY.

CHANGE IN ACCOUNTANTS

In June 1996, the Company decided to retain Hein + Associates LLP as the Company's independent accountants and dismissed Villanueva, Purcell & Co., the Company's former accountants. The decision to change independent accountants was ratified and approved by the Company's Board of Directors in June 1996. During the relationship between the Company and Villanueva, Purcell & Co., there were no disagreements regarding any matters with respect to accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreements, if not resolved to the satisfaction of the former accountants, would have caused Villanueva, Purcell & Co. to make reference to the subject matter of the disagreement in connection with its report. The former accountants' reports were for the years ended December 31, 1994 and 1993. Such reports did not contain an adverse opinion or disclaimer of opinion or qualification of modifications as to uncertainty, audit scope or accounting principles. Prior to retaining Hein + Associates LLP, the Company had not consulted with Hein + Associates LLP regarding accounting principles.
